

Key defender Bullock may

WYCOMBE Wanderers may be without key defender Dave Bullock for their vital F.A. Cup second qualifying round match against Woking at Loakes Park, tomorrow (Saturday).

Bullock, who injured a knee against Sutton on Saturday, missed the mid-week Rothmans Isthmian League fixture at home to Woking, and without him the Wycombe defence looked most unsafe. His replacement Ian Rundle played well enough, but sweeper Phil Wood seemed to lose all confidence.

Wood certainly cannot afford to make the same elementary mistake which gave Woking their first goal, if Wycombe are to gain an easy passage through to the next round.

News of Wanderers' other casualty is more encouraging. Front runner Dillon Evans has recovered from a feverish cold and is vying with the diminutive Tony Price for the third striking role, alongside Keith Searle and Steve Perrin.

GOOD FORM

Although taken off 15 minutes from the game, Price showed good form in mid-week. His speed is

miss Blues' vital cup-tie

certainly an asset and all he needs to make him a really top class player is a slice of confidence.

It was unfortunate that referee Mr. Cleere stopped play twice, when Price had moved into threatening positions, only to

club's optimism is the return to goal-scoring form of striker Ken Oram, who notched both goals in that defeat.

Oram has struggled more than anyone in recent weeks, during the club's difficulties, when after a useful start to the season he failed

F.A. Cup preview

give Wycombe the free-kick.

The feeling at Woking is that their narrow 2-3 defeat in the league boosts their hopes for a cup shock. There is, of course, also the argument, that Wycombe could not repeat such fundamental mistakes.

Main reason for the Surrey

to find the net in four successive games.

Says Woking manager Trevor Smith, "I know a lot of people don't like the way Ken has been playing, but he always sticks in at least 25 goals a season, and that in itself gives him a place."

Woking are likely to make no

changes to their forward line. With Dave Hutchins on holiday, Oram and the experienced John Grondona share the striking duties.

Postponed

THE Premier Midweek Floodlight League meeting to decide the destiny of their trophy, scheduled for last Wednesday night, has been postponed to the end of the month, because of illness.

SMITH'S SQUAD

WOKING manager Trevor Smith has named the following squad for tomorrow's cup-tie. They are skippered by full-back Brian Finn, their longest serving player.

DAVE COLLYER — goalkeeper. Rated one of the top amateur goalkeepers in the country, Collyer has represented Surrey, the Isthmian League and the F.A., though still only 25. Played in the league as an amateur for Fourth Division Exeter while a student and signed for Brentford as a "Cover" player.

BRIAN FINN — full-back and club captain. Woking's longest-serving player, he has been with the club since he joined at the age of 15 in 1959. In that time, he has been awarded numerous county caps and other honours.

BOBBY UNDERWOOD — full-back. Signed at the start of the season from Hayes, Underwood has quickly fitted into the side and has caused opponents extra problems with his runs down the wing. Operates on the left.

DEREK EDWARDS — centre-half. As one would expect of a man 6ft. 3in. tall, Edwards is exceptionally strong

in the air but also shows surprising skills on the ground when the urge takes him.

GRAHAM COOPER — midfielder. Cooper joined Woking at the start of the season for his second spell with the club, previously leaving them for Walton and Hersham. Especially strong going forward.

TONY ROBERTS — midfielder. Woking's newest signing. Roberts joined the club two weeks ago from Hayes. A fierce competitor, he has represented the Isthmian League and his county.

VIC REYNOLDS — midfielder. Reynolds spent last season in local football awaiting a permit to play for Woking. A former professional in Australia, he made his first appearance for Woking in the previous round of the F.A. Cup.

GEOFF CHAPPLE — midfielder. The player Woking look to to pierce tight defences. His surging, skilful runs from midfield are always a danger to opposing defences and have made him the

target for several other clubs.

DENNIS CHEESEMAN — midfielder. Injuries to recognised defenders have resulted in Cheeseman taking over the right-back position recently, but with everyone now fit, he should be able to return to his favourite left-half spot.

KEN ORAM — forward. Oram, a staff sergeant in the R.A.F., always figures amongst Woking's top scorers. A tall, elegant player, he has the knack of always being in the right place at the right time. A regular player for Combined Services.

JOHN GRONDONA — forward. Walton's top scorer in all the years he was with them, John Grondona moved to Woking towards the end of last season. Particularly skilful on the ground, he often drops back to help out in midfield.

GEORGE PALINSKI — forward. Young player, who has come up from the reserves. Was one of the main reasons for their victory over Farnborough Town in the previous round.
